Put the lines of the poem in order!

	do you know them all?
	There are three numbers –
	They will send a doctor, that's for sure.
	So now you know who to call.
	They will come and help you.
1	If you need help, who do you call?
	For the police call 133.
	They are there for you and me.
	For the ambulance call 144.
	Learn the numbers and remember them all!
	For the fire brigade call 122.
